

CONTROL VALVE DIAGNOSTICS INCREASE RELIABILITY & REDUCE DOWNTIME

Ask us about a complete plant analysis

Flotech
INSTRUMENTATION & CONTROLS

**Predictive
Maintenance vs.
Reactive**

**60% of issues
resolved without
removal or dis-
assembly: Stretch
your maintenance
budget.**

**Control Valves are
the final control
element. Control
system only as good
as the FCE.**

**Reduce major valve
work, less cost.**
